~~██████████~~ DIRECTIVE
(DRAFT)

25X1A2g

25X1A2g

1. Over-all test responsibility at ██████████ is assigned to

Commander ██████████ staff can go directly to Headquarters staff for technical interchange and coordination. Informal arrangements and requests for action by Project or contractors will be confirmed by test directive laid on Commander ██████████ by Project Director. (Normal staff coordination is required at both ends.)

25X1A2g

2. Test requirements may originate in any staff, field function, or FOG, and be submitted to Headquarters for approval. CHALICE Headquarters will coordinate and monitor all test schedules being conducted at ██████████

25X1A2g

25X1A2g

3. Priorities for ██████████ activities will be established by the Project Director after coordinated staff review and placed on Commander ██████████ for implementation.

25X1A2g

25X1A2g

4. ██████████ will look to the following staff heads for guidance: Technical and R & D items to Development; product improvement to Material; operational evaluation or suitability to Operations. 25X1A2g

5. Some specific functions for which ██████████ Commander is responsible include monitoring the following contractor functions:

- Product improvement
- Unsatisfactory Reports (UR's)
- Modification status
- Project aircraft records
- IRAN schedule
- Malfunctions

6. Coordination would normally follow these lines: Decision will be made as to whether proposal is R & D or product improvement, and staff responsibility placed. For example, [REDACTED] was initiated by Development to meet Ops requirement. Scheduled by Ops for flight test suitability. (Ops keeps Material advised.) When accepted, Material covers distribution and support. Maintenance will be Material responsibility in coordination with Comm.

25X1A2g 7. Commander [REDACTED] has discretionary authority to include minor items into test schedules or flights provided they do not interfere with completion of Headquarters approved tests.

25X1A2g 8. Commander [REDACTED] is authorized to solicit assistance from contractors as required for timely completion of test schedule, advising Headquarters Contracting Officer of any monetary obligations incurred. This authority is limited to \$ _____. Any obligation in excess of this amount must be approved by CHALICE Headquarters.
